

SMART GROWTH AWARDS | 2010

Date: June 2010
Location: Newark Club, Newark, NJ

The New Jersey Future Smart Growth Awards celebrate the best in development and redevelopment throughout the state. Nominees are drawn from a statewide public nomination process. Semi-finalists and finalists are chosen by an independent Awards Selection Committee of professional developers, architects, planners, and redevelopment experts. The annual ceremony is considered one of the state's premier networking events and an occasion that draws wide media attention, as well as attendance of more than 300 local, regional and state professionals and leaders.
