2023 SMART GROWTH AWARD WINNERS

Barbara George Johnson  
CARY EDWARDS LEADERSHIP AWARD  
Public policy professional combining academic and practical approaches to elevate health as a place-based issue, reduce healthcare disparities among urban and ethnic populations, and champion the sustainable revitalization of our cities.

Nicole Miller  
CARY EDWARDS LEADERSHIP AWARD  
Dedicated advocate and effective voice on intersectional equity in water infrastructure investment, transportation, and climate change increasing awareness and action at both the state and local levels.

George Vallone  
REDEVELOPMENT TRAILBLAZER AWARD  
Redeveloper with over four decades of commitment to repurposing sites and buildings and demonstrated industry leadership on green infrastructure, brownfield remediation, and mixed-used development bridging private, public, and nonprofit sectors.

Barclay Street Apartments  
A partnership between local health care providers and developers to provide 56 affordable housing units in Paterson to create healthy, stable living conditions.

Clinton Hill Early Learning Center  
Transforming a long-vacant urban site in Newark into a thriving and vibrant destination for the youngest community members through the thoughtful design and construction of a welcoming learning center.

Lord & Taylor/Train Station Redevelopment Plan  
Bold new plan for reuse of a shuttered department store building and integrated green design strategies to reinvigorate Westfield and convert the space into a vibrant, mixed-use downtown.

Hinchliffe Stadium  
Redevelopment of Paterson’s historic baseball stadium to include a new restaurant, museum as well as additional senior affordable housing and parking to attract visitors and boost civic pride.

Gant-Gilbert Arts Collective  
A mixed-use, community-oriented, artist focused, affordable housing project located in the Clinton Hill section of Newark including community and office spaces, café, and gallery below 27 affordable units.

One Thompson Avenue  
Development of a 70-unit family building in Dover on a previously underutilized municipal parking lot fulfills Dover’s master plan, adds density, mirrors local architecture, and provides the first affordable housing development in town in over a decade.

Somerset County Preservation Plan  
First of its kind plan that combines open space, farmland, and historic preservation plans to provide funding and partnerships, and balance reuse opportunities with economic development to attract business and tourism to the county.
New Jersey Future’s Smart Growth Awards recognizes the very best in planning, development, and redevelopment in the Garden State. The 2023 celebration will bring us back together in person at the New Brunswick Performing Arts Center to celebrate our winners. This year’s Smart Growth Awards honors incredible winning projects, our Cary Edwards Leadership Award winners, and our inaugural Redevelopment Trailblazer Award winner for their groundbreaking contributions to making New Jersey communities sustainable and strong.

The Smart Growth Awards event has traditionally been a critical fundraising event to support the year-round work of New Jersey Future. By sponsoring this event, you will help advance the mission of New Jersey Future to secure economic opportunity, community vitality, and quality of life for all New Jerseyans.
