NEW JERSEY FUTURE SMART GROWTH AWARDS SPONSORSHIP

New Jersey Future's Smart Growth Awards (SGA) recognizes the very best in planning development, and redevelopment in the Garden State. Entries are submitted via a statewide public nomination process. Winners were chosen by an independent jury of professionals in the fields of development, redevelopment, financial services, planning, advocacy, environmental stewardship, and community engagement.

October 7, 2026
Newark Museum of Art
5:30-8:30PM

The annual awards reception and ceremony is one of the state's premier networking events, bringing together leading professionals in architecture, planning, development, transportation, engineering, environmental policy, law, finance and local, regional, and county government.

New Jersey Future's leadership in smart, equitable redevelopment continues to shape the future of communities across our state. I'm proud to partner with them, and even more proud to have been recognized with a Smart Growth Award for our work on Clinton Lofts in Trenton. As we continue revitalizing Trenton and bringing new life to its neighborhoods, I am grateful to have New Jersey Future alongside us in this work.

LEADERSHIP AWARD

Gil Medina

A former New Jersey Secretary of Commerce, Gil has paved the way for integrating economic development and smart planning. He has defended and written regulatory policies that still guide New Jersey's sustainability efforts. In addition to serving on a number of boards and advisory boards of leading organizations, his accomplished career has spanned law, finance, and commercial real estate. Over the decades, he has been a beacon, deftly aligning economic and business growth with smart growth and redevelopment.
